# "Fruit Growing and Truck Farming along the Cotton Belt"

Is the name of a new and finely illustrated booklet just published by the Cotton Belt Route. It tells in their own words the story of those who have "gone west" and achieved great success growing peaches, strawberries, pears, grapes, tomatoes, onions, melons, potatoes and other fruit and truck on lands that formerly sold for \$3 to \$10 an acre and now yield \$100 to \$300 per acre in a single season. Write for a copy, free, also how to secure a home in the Southwest for the rent you would pay in the East or North.

# Do You Enjoy What You Eat?

You can eat whatever and whenever you like if you take Kodol. By the use of this remedy disordered digestion and diseased stomachs are so completely restored to health, and the full performance of their functions naturally, that such foods as would tie one into a double-bow-knot are eaten without even a "rumbling" and with a positive pleasure and enjoyment. And what is more—these foods are assimilated and transformed into the kind of nutriment that is appropriated by the blood and tissues.

Kodol is the only digestant or combination of digestants that will digest all classes of food. In addition to this fact, it contains, in assimilative form, the greatest known tonic and reconstructive properties.

Kodol cures indigestion, dyspepsia and all disorders arising therefrom.

**Kodol Digests What You Eat**  
Makes the Stomach Sweet.

Bottles only. Regular size, \$1.00, holding 2½ times the trial size, which sells for 50 cents.

MRS. CECELIA STOWE, Orator, Entre Nous Club.

176 Warren Avenue, CHICAGO, ILL., Oct. 22, 1902. For nearly four years I suffered from ovarian troubles. The doctor insisted on an operation as the only way to get well. I, however, strongly objected to an operation. My husband felt disheartened as well as I, for home with a sick woman is a disconsolate place at best. A friendly druggist advised him to get a bottle of Wine of Cardui for me to try, and he did so. I began to improve in a few days and my recovery was very rapid. Within eighteen weeks I was another being.

Mrs. Stowe's letter shows every woman how a home is saddened by female troubles and how completely Wine of Cardui cures that sickness and brings health and happiness again. Do not go on suffering. Go to your druggist today and secure a \$1.00 bottle of Wine of Cardui.
